ABOUT OUR TEAM

We have a dedicated team of Advisers, paraplanners and support staff to help deliver quality financial planning services to you.

Attached to this document is a profile for each Adviser in our practice. The Adviser profile provides information about your Adviser - their contact details, qualifications, experience and any memberships they may hold.

WHY YOU SHOULD CHOOSE ROE FINANCIAL

WE AIM TO PROVIDE PERSONALISED AND RESPONSIBLE ADVICE SUITED TO YOUR OBJECTIVES AND BELIEVE THAT SOUND ADVICE AND PLANNING IS THE KEY TO IMPROVING YOUR FINANCIAL POSITION.

We undertake continuous professional development and attend training programs, so we are up to date with legislative changes to superannuation, investment, social security (including aged care) and tax environments.

We have access to technical, risk and investment research professionals who provide us with additional analysis on strategies and products that become available as a result of these changes.

Our Financial Advisers will help you determine your goals and weigh up different investment strategies to achieve them.

Most importantly, we turn your thoughts into action. There are no secret formulas for achieving financial security. We work with you to get the basics right and ensure you have a plan to achieve your goals over time.

ADVICE WE CAN PROVIDE

Advice Evolution Pty Ltd maintains a broad approved list, containing investment and insurance products that have been researched by a number of external research houses as well as our in-house research team.

A copy of the approved product list can be given to you if requested. Please refer to your Adviser's profile for a list of strategies and products they can recommend.

TRANSACTION SERVICES

If you do not require advice from us, but you would like us to help you complete a particular transaction, we can also arrange for you to apply to the kinds of products referred to in your Adviser's profile. In these cases, we can take your instructions and arrange for the transaction to be completed without providing you with personal advice.

It is important to understand that in these circumstances we will generally ask you to confirm your instructions in writing and to sign a letter that acknowledges you have declined our offer of advice as well as understand the risks of a transaction service. You will be provided with a copy of the letter for your own records.

You can also contact us directly with any instructions relating to your existing financial products. We will accept instructions from our existing clients via telephone, mail or email.

DOCUMENTS YOU MAY RECEIVE

Our initial advice will be provided to you in a financial plan, known as a Statement of Advice (SOA). The financial plan contains a summary of your goals and the strategies and financial products we will recommend to achieve your goals. It also provides you with detailed information about the fees, costs and other benefits we will receive as a result of the advice we have provided.

We will keep a record of any further advice we provide you for seven years. You may request a copy by contacting our office.

You will also receive a Product Disclosure Statement (PDS) if we have recommended you invest in or purchase a financial product. The PDS contains key features of the recommended product, significant benefits, risks and the fees you pay the product provider to professionally manage your investment or insurance.

You should read any warnings contained in your financial plan, the PDS or IDPS guides carefully before making any decision relating to a financial strategy or product.

You can contact your Adviser directly with any instructions relating to your financial products.

EVERYONE HAS DIFFERENT CIRCUMSTANCES, NEEDS AND GOALS. WE TREAT EVERY CLIENT AS AN INDIVIDUAL, BUT FOLLOW A DEFINED FINANCIAL PLANNING PROCESS, TO MAKE SURE YOU KNOW WHAT TO EXPECT FROM US.

IDENTIFYING WHERE YOU WANT TO BE

We help you identify your financial and lifestyle goals and explain the services we offer to help you achieve them. The type of advice you need could depend on your life stage, the amount of money you want to invest and the complexity of your affairs.

We will help you to identify the range of issues that need to be addressed to meet your goals. You can then decide whether you want our advice to meet a single need or a broad range of issues.

CONSIDERING OPPORTUNITIES AND RISKS

Good personal advice starts with having an understanding of your current situation. We take a close look at your current financial situation – assets, debts, income, expenses and insurance, and explore the options you could use to reach your goals.

BRIDGING THE GAP

Based on the research we have conducted; we will recommend a strategy to bridge the gap between where you are now and where you want to be.

BRINGING YOUR PLAN TO LIFE

We work closely with you to implement your financial plan. We help you to complete any necessary paperwork and are available to attend meetings with your accountant, solicitor and general insurer so that your strategy is implemented efficiently.

STAYING ON TRACK WITH REGULAR ANNUAL OR ONGOING ADVICE

Time goes on and circumstances and needs change. The final step in our advice process ensures your financial plan remains on track, by providing you with regular annual or ongoing advice.

We design an annual or ongoing service program to ensure your plan remains up to date as your life changes and so you can obtain the benefits of ongoing reliable advice.

Sometimes, life takes us in unplanned directions. When you need a little extra help on top of our annual or ongoing advice, just ask us to provide you with some additional advice. We are there to help you – whatever the occasion.

ADVICE FEES

The fees charged for our advice are designed to be fair and clear.

This is determined on a case by case basis and will be presented to you via a Terms of Engagement (TOE) document, detailing the scope of advice and the pricing involved to deliver your advice. The Terms of Engagement process is for all new clients to Roe Financial. Roe Financial like to take a no surprises approach to the fees charges to our clients and will always gain your agreeance to the work and costs involved, before proceeding with producing advice for you.
